Hello, I recently moved to 33 Colony Rd., Springfield, MA 01106

Before moving the schools said that my children would be going to blueberry elementary and Williams middle school I went in person to the superintendents office on 01/03/2023 and than again they said they were go to blueberry elementary school and Williams middle school. I sat in the office and filled out paperwork and gave them information. I purchased a whole home with this information that my children would be attending Longmeadow Schools.

My children's names are,

Patience L. Stanley, 7th grade.

Joshua W. Stanley, 4th grade.

Kenneth J. Stanley, 2nd grade.

May you please help me as my children need to enroll back into school ASAP.

Thank you

Beatrice Stanley
