

## Notification to Abutters

By Hand Delivery, Certified Mail (return receipt requested), or Certificates of Mailing

*This is a notification required by law. You are receiving this notification because you have been identified as the owner of land abutting another parcel of land for which certain activities are proposed. Those activities require a permit under the Massachusetts Wetlands Protection Act (M.G.L. c. 131, § 40).*

In accordance with the second paragraph of the Massachusetts Wetlands Protection Act, and 310 CMR 10.05(4)(a) of the Wetlands Regulations, you are hereby notified that:

- A. A Notice of Intent was filed with the **Longmeadow Conservation Commission** seeking permission to remove, fill, dredge, or alter an area subject to protection under M.G.L. c. 131 §40.

Date the Notice was filed:

Brief description of the proposed work:

- B. The name of the applicant is:

- C. The location of the land where the activity is proposed is:

Project address:

Assessors Map, Parcel numbers:

- D. Copies of the Notice of Intent may be examined or obtained at the office of the Longmeadow Conservation Commission, located at 20 Williams Street; please contact the Commission at 413-565-4100, extension 1323 or [concom@longmeadow.org](mailto:concom@longmeadow.org) to set up an appointment.

- E. Copies of the Notice of Intent may be obtained from the applicant or their representative. An administrative fee may be applied for providing copies of the NOI and plans.

Name of applicant and/or representative:

Name of organization, if applicable:

Phone number and email address:

- F. Information regarding the date, time, and location of the public hearing regarding the Notice of Intent may be obtained from the Longmeadow Conservation Commission. Notice of the public hearing will be published at least five business days in advance, in a local newspaper (The Republican and/or The Reminder).

Notification provided pursuant to the above requirement does not automatically confer standing to the recipient to request Departmental Action for the underlying matter. See 310 CMR 10.05(7)(a)4.
